**LIMITED RESPONSE AND RESERVATION OF RIGHTS OF TRANSFORM HOLDCO  
LLC TO DEBTORS' FIRST OMNIBUS OBJECTION TO PROOFS OF CLAIM  
(SATISFIED CLAIMS)**

Transform Holdco LLC ("Transform"), the buyer under the APA,<sup>2</sup> by its undersigned counsel, hereby submits this limited response and reservation of rights (the "Limited Response") with respect to the *Debtors' First Omnibus Objection to Proofs of Claim (Satisfied Claims)* (the "Omnibus Objection") [Docket No. 4775] dated as of August 6, 2019.<sup>3</sup> In support of this Limited Response, Transform respectfully states as follows:

1. On February 8, 2019, the Court approved the sale of substantially all of the above-captioned Debtors' assets to Transform pursuant to the APA and entered the *Order (I) Approving the Asset Purchase Agreement Among Sellers and Buyer, (II) Authorizing the Sale of Certain of the Debtors' Assets Free and Clear of Liens, Claims, Interests and Encumbrances, (III) Authorizing the Assumption and Assignment of Certain Executory Contracts, and Leases in Connection Therewith, and (IV) Granting Related Relief* (the "Sale Order") [Docket No. 2507].

2. The Sale Order and the APA established a process permitting Transform to designate executory contracts for assumption and assignment for up to sixty (60) days after the February 11, 2019 closing date. The Designation Rights Period was subsequently extended to May 13, 2019 for certain executory contracts (as extended, the "Designation Rights Period"). *See*

---

<sup>2</sup> The "APA" shall mean the Asset Purchase Agreement filed as Ex. B to the Sale Order, as may be amended, restated or amended and restated including pursuant to Amendment No. 1 to Asset Purchase Agreement filed as Ex. E to the *Notice of Filing Executed (I) Employee Lease Agreement, (II) Services Agreement, and (III) Amendment No. 1 to the Asset Purchase Agreement*, [Docket No. 2599] and Amendment No. 2 to Asset Purchase Agreement filed as Ex. A to the *Notice of Filing Second Amendment to the Asset Purchase Agreement*, [Docket No. 3880].

<sup>3</sup> Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to them in the Omnibus Objection.

*Notice of Amendment to Asset Purchase Agreement Extending Certain Deadlines* [Docket No. 3171].<sup>4</sup>

3. On April 2, 2019, the Court entered the *Order (I) Authorizing Assumption and Assignment of Certain Executory Contracts and Leases and (II) Granting Related Relief* (the “Assumption and Assignment Order”) [Docket No. 3008], which established a process for the assumption and assignment of executory contracts by filing and serving notices designating the executory contracts for assumption and assignment (such notice, an “Assumption Notice”). Under the Assumption and Assignment Order, if a timely objection to an Assumption Notice is filed and not resolved consensually, then the assumption and assignment of the relevant executory contract would not become effective until after resolution of the objection by the Court. Assumption and Assignment Order, ¶ 27.

4. Throughout the Designation Rights Period, Transform designated over 3,000 executory contracts for assumption and assignment in accordance with the APA, the Sale Order and the Assumption and Assignment Order.

5. The Debtors’ Omnibus Objection seeks to disallow and expunge certain claims (referred to as “Satisfied Claims”), which the Debtors assert have been satisfied in full, “[i]ncluding as a result of the Debtors having assumed and assigned the contract(s) that form the basis of a Satisfied Claim” to Transform Holdco LLC. *See* Omnibus Objection, ¶ 9.<sup>5</sup>

---

<sup>4</sup> On a limited basis, even after the expiration of the Designation Rights Period, the Debtors have consented to certain additional contract designations. *See e.g. Notice of Assumption and Assignment of Additional Executory Contracts* [Docket No. 4148], dated June 7, 2019.

<sup>5</sup> Transform also notes that while the Omnibus Objection indicates that the contracts associated with the Satisfied Claims were assumed and assigned to Transform Holdco LLC, certain executory contracts were assigned to affiliates of Transform Holdco LLC.

6. Through this Limited Response, Transform seeks to clarify five aspects of the Debtors' Omnibus Objection.

7. First, the Omnibus Objection is premature as it pertains to certain executory contracts for which the assumption and assignment is pending, but not yet effective due to the filing of a timely objection to the applicable Assumption Notice. As noted above, the Assumption and Assignment Order provides that the assumption and assignment of an executory contract would not become effective until after the resolution of a timely filed objection by the Court, unless such objection was resolved consensually. Assumption and Assignment Order, ¶27. Accordingly, because objections were filed by Winiadaewoo Electronics America, Inc., and Hain Capital Investors Master Fund, Ltd as Transferee of Winiadaewoo Electronics America, Inc., any assumption and assignment of an agreement subject to those objections has not yet become effective. Moreover, Transform retains the right to withdraw any designation of an executory contract for assumption and assignment until such time as such designation becomes effective. Assumption and Assignment Order, ¶ 17.

8. Second, the Omnibus Objection is premature to the extent that it seeks to disallow claims relating to certain executory contracts between Innovel Solutions, Inc. and LG Electronics U.S.A. Inc. (“LG”) because LG received an extension to file an objection to the assumption of such contracts and, accordingly, the assumption and assignment of those agreements remains pending.

9. Third, despite that Transform has no record of assuming the relevant contracts with Black & Decker, Black & Decker (U.S.) Inc., Black & Decker Macao Commercial Offshore Ltd., Black & Decker U.S., Genesco, Inc., International Packaging Supplies LLC, Nalco Water Pretreatment Solutions LLC, and Sherwin Williams Paint Company, the Omnibus Objection seeks

to deem those parties' claims as Satisfied Claims on the theory that their agreements were assumed and assigned to Transform and, accordingly, to disallow them. Transform has reached out to the Debtors to reconcile the records regarding these parties.

10. Fourth, while the Omnibus Objection indicates that the Satisfied Claims were "satisfied and/or released" because an associated contract was assumed and assigned to Transform Holdco LLC, Transform seeks to clarify that even if a contract has been assumed and assigned to Transform, Transform is not necessarily obligated to satisfy the asserted claim in its full face amount as other arrangements may have been reached during negotiations with the contract counterparties.<sup>6</sup>

11. Fifth, Transform highlights that based on its review of the Omnibus Objection, it appears that the Debtors are seeking to expunge all Claims filed by a counterparty for which at least one executory contract was designated for assumption and assignment, but it is not always discernable whether the Claims that the Omnibus Objection seeks to expunge arise from the same contracts that were assumed and assigned to Transform or instead are derived from other relationships. Accordingly, for the majority of Claims listed as Satisfied Claims in the Omnibus Objection, Transform is unable to assess whether the Claims are tied to the specific agreements that were assumed and assigned. As Transform only has assumed liability with respect to specific contracts that were assumed and assigned, it reserves all rights on this point.

12. Transform reserves all rights to supplement this Limited Response.

---

<sup>6</sup> While this does nothing to impact the Debtors' position, Transform notes this distinction for the avoidance of doubt.
